Campaigning to prevent
pressure sores

Information for healthcare staff

This card has been given
to this patient by a healthcare
professional in association
with the Your Turn
campaign.

wound care alliance UK
moving forward together

*Tissue
Viability
Society*

Important - the person carrying this card is at risk of developing pressure ulcers in a short period of time unless preventative measures are used

If the person carrying this card is admitted into a care setting: They or their carer can tell you about the care required to prevent pressure ulcers occurring

Website information and guidance is available via www.your-turn.org.uk & www.nice.org.uk
